PROFESSIONAL SUMMARY

A proactive and passionate learner with a strong foundation in programming, mathematics, and problem-solving. I enjoy working in dynamic environments where I can leverage my technical skills and creativity. My recent leadership role has honed my communication and organizational abilities, making me an effective team player with the initiative to drive projects forward.

EXPERIENCE

Centre Manager / Supervisor

Boost Education
Feb 2024 – Aug 2024

- Managed day-to-day operations and administration of the education centre.
- Communicated with parents, addressing concerns and providing progress updates for students aged 4-16.
- Led a team of tutors and coordinated lessons.

Tutor

Boost Education
Jun 2023 – Feb 2024

- Tutored students aged 4-16 in mathematics, English, and computer science.
- Developed tailored lesson plans to meet the needs of individual students.

Private Tutor

Self-Employed
Nov 2022 – Jun 2023

- Provided one-on-one tutoring in A-Level mathematics, focusing on student weaknesses and fostering improvement.

IT Technician Assistant

Eastbrook School
Mar 2023

- Assisted with hardware installations, troubleshooting, and ensuring classrooms were equipped with updated technology.

Railway Engineer Trainee

Feligrace Ltd.
Nov 2021 – Feb 2022

- Participated in a hands-on traineeship, focusing on safety procedures and practical engineering tasks on out-of-commission railway tracks.
